

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

35 Pine St., New York City.

ANNOUNCEMENT.

Owing to the increasing scarcity of full sets of the **Bulletin of the Nuttall Ornithological Club**, the price of the few complete sets remaining has been fixed at **\$30.00** each.

In order, however, to put the Bulletin within the reach of as many ornithologists as possible, it has been decided to offer some incomplete sets at a much lower price. These sets lack only two numbers out of the eight volumes (Vol. 1, No. 1, and Vol. 2, No. 1), amounting to but 52 pages, and will be sold for **\$15.00**.

Address, **C. F. Batchelder, Treas., Cambridge, Mass.**
